This section contains a hand-drawn wireframe for a tablet portrait contact page. At the top, there is a horizontal row of five rectangular boxes, each containing a label: 'Logo', 'Home', 'About me', 'Experience', and 'Hobbies'. Below this row is a large rectangular area divided into two sections. The left section contains several horizontal lines of varying lengths, with some segments of these lines being blacked out. The right section contains two large, empty rectangular boxes. The entire wireframe is enclosed within a thin black border.
